COMM GROUPS (Community Groups) are designed to develop community across the church and our city. We believe that the Kingdom of Heaven is first of all a relational Kingdom, with a Father in Heaven who invites us into covenant relationships with him and his people, and this becomes the birthing place of identity, healing and purpose. We encourage everyone to use this guide to find a group that they can 'do life with' and that is the right fit for them. All groups run for a 6 month period, so sign up now to build deeper connections & live a fulfilling life.
